TRAVEL

Travel is calculated on a return-trip basis from my home salon to your getting ready venue, using Google Maps as a km reference. If your venue is further than a 2 hour drive, then I will require suitable accommodation for the night before your wedding day. I am available for inter-provincial travel, T's + C's apply.

If you're looking for a beauty professional who:

has 9 years of experience in the wedding industry,
provides all makeup, tools, and a full wedding morning schedule, so you don't have to,
is skilled in working on clients of any age and all skin tones, with a kit to back it up,
is communicative, honest, and receptive to feedback,
specialises in weddings, so they know exactly how the process should run,
will celebrate, keep you calm and vibe with you on your wedding day...

...then I am the artist for you.
