BRENNA PAIGE

I first picked up a makeup brush in 2014 and haven't looked back - I glammed up my very first wedding party when I was just 17. I've worked in cosmetic retail, on ad campaigns, photoshoots and with countless beautiful brides.

I'm passionate about making my clients feel the best they've ever felt. Whether that's natural makeup and undone waves, or full glitter glam and an elaborate updo - I'm here to uncover the best version of YOU.

I believe makeup is for everyone and anyone. It's the secret weapon to reveal your true self! Besides my passion for beauty, I pride myself on professionalism and efficiency. I want my brides to soak up every bit of their wedding day and leave the glam up to me.

"When I went for my trial about a week before my wedding, I had an idea of what I wanted and showed Brenna some Pinterest pictures. She focused on every detail, truly took the time to listen to absolutely everything that I asked for and gave some of her own ideas whilst making sure I felt comfortable. Her talent and skill is unbelievable and her love for make up and beauty just makes her even that much more special."

- Lisa

"She's super professional and so friendly. We worked really well together from the makeup trial to the day of my wedding. Together with my bridal party, we absolutely loved our makeup. It lasted all night - through the dancing too! Bren made sure I was completely okay before leaving. She even set my veil for me. I didn't want her to leave!"
